"We have been to the show the last 3 years running. It's the show we look forward to each year. There are an abundance of exhibitors and end users and we've made some good contacts there each year. The people who put the show together work hard to attract enough participants to make it a success."

**Dave Magen

"Meryl, I just wanted to take this opportunity to thank you and your staff for the wonderful job they did at the 2007 Biz Expo. The event was well organized and the accommodations for the exhibitors was excellent. The staff at the Birchwood was courteous and professional. I believe this venue should be repeated for next year. Great job!!!"

"Thanks so much. It certainly was an excellent event. We made a lot of great leads and we really enjoyed it. Count us in for the next one."
